The Presbytery, 75 Church Road, Ashley, Market Drayton,  
Shropshire, TF9 4JY  
Telephone: 01630 673426  
[loggerheadspc@btconnect.com](mailto:loggerheadspc@btconnect.com)  
Clerk to the Council—Mrs Jess Jenkinson**

**[www.loggerheadsparishcouncil.com](http://www.loggerheadsparishcouncil.com)**

Dear Resident,

Ouch I was supposed to be impressed when a member of my family stated wow I have lived for two decades and was pleased about it, I was not overly impressed more than miserable for I am now 75% through my fifth decade, a new year always leaves you wondering what the year will bring, but I am confident that with the support we have across our community we will once again look forward to improvements and changes .

We as the Parish Council intend this year to get some of those projects that we have not been able to implement up until now completed. Constraints put on us by outside influences stopping us moving forward, where the words "We need it now" are just not part of their dictionary are no longer acceptable. We want to ensure that the signs in our parish are brought up to date and those areas of annoyance to us all like, overhanging trees and unkempt areas of our parish are improved.

We want to ensure this year that any one driving through our villages are aware that speed is a major concern of all who live in our parish and not just something we keep asking for help with, we hope to implement changes that we can all relate to.

So our Community Link Project , which has now been a major part of our communities future will again be looking for your support and ideas to improve the life of all those living in our parish. Keep a look out on our notice boards and our web site as we will be announcing meeting dates and changes we intend to implement this year.

I am sure, as I do, that we all feel let down by the support we have had in keeping our roads clear during this cold spot that has hit us at the start of the New Year. It is late, but we have as the Parish Council now order a number of grit bins that hopefully will be with us fairly quickly and will be distributed with the upmost urgency.

Play areas in our community have taken up more time than they needed to in 2009 and I am pleased to hear from our youngsters that our 3 opened sites have improved facilities available to them and I am confident that plans we have for the future will continue to improve facilities for all our young people in our Parish.

I wish all of you a Happy New Year and I look forward to 2010 with enthusiasm for our local improvements to our Parish.

**Cllr David Loades (Chairman)**

## Future Meeting Dates

Thursday 25 February 2010

Thursday 25 March 2010

Thursday 22 April 2010

Mucklestone WI New tables for the WI to be kept at Knighton Village Hall	£700
Hales Club Funding towards kitchen refurbishment	£750

Loggerheads Parish Council is fully aware of the nightmare faced by many drivers within the parish due to the state of the roads and the fact that a lot of our parish is situated on hills!

With this in mind a number of grit bins were ordered and hopefully will be in place by the time this newsletter drops through your letter boxes. If you feel that there is a particularly dangerous area within the parish that you feel warrants a grit bin please contact the clerk..
